

Mayo College presents

Deutschunterricht

3rd edition

Mayo College

Mayo College Ajmer was founded in 1875 for the scions of the aristocracy of Rajputana to provide them with modern, liberal, enlightened and holistic education as a prerequisite for future rulers of imperial Rajputana. Therefore, until India's independence in 1947, the School provided an education inspired to create an imperial ruling elite. Little wonder that it was continually referred to as the 'Eton of the East'. The College was opened in October 1875 with Sir Oliver St John as the first Principal and admitted its first student, His Highness Maharaja Mangal Singh of Alwar on 23 Oct 1875. Following independence, the College began to admit students from across the country and its societal spectrum. The Main Building was designed by Major Mant and was completed in 1885 at a cost of 3.28 lakhs. Major Mant's design became a classic symbol of Indo-Saracenic architecture and apart from being quoted in architectural courses even today, the design now lies in the archives of the British Museum in London. It has 18 full size playing fields, a 9-hole Golf course, 60 thoroughbred horses, a modern climbing wall, three gymnasiums, two swimming pools amongst other facilities and attracts students on exchange programmes from across the world.

DeutschUtsav

In order to encourage the creativity of students and to improve their language skills, we plan to organize The German Festival 'DeutschUtsav@Mayo'. This festival would be filled with competitions, workshops, and various other events. We hope to welcome on this occasion some of the most prestigious schools from India and abroad. Also, we have had the pleasure of hosting a number of competitions and entertaining events in which schools from all over the world have participated. We believe that our participants will take advantage of this chance to use the German language outside of the classroom. We hold competitions for everything from solo singing to poem recitation.

DeutschUtsav at Mayo is one of its kind extravaganza in India wherein students from the top education institutions compete, showcase talent, perform, learn, and get boundless opportunities. This three-day Festival is the pride of the German Department of Mayo College. This year we celebrate the third edition of the most awaited event for the German Learners across the globe.

The Central theme of The Festival.

Welt ist eine Familie (World is a family)

Director's Message

Greetings from Mayo

We started our German Language Department in 2016 and within a year we became a PASCH School. After our experience of jointly hosting the European Day of languages in the year 2020, we welcome you to the very third independent German Festival hosted by us. This Festival aims to provide a competitive platform as well as a learning experience for the students of all German-teaching schools. With the high zeal and sportsmanship that will drive this competition ahead, we hope that you participate with all your heart to make this event a successful one.

Grüße aus Mayo

Wir haben unsere Deutschabteilung im Jahr 2016 gegründet und sind innerhalb eines Jahres eine PASCH-Schule geworden. Nachdem wir in 2020 gemeinsam den Europäischen Tag der Sprachen ausgerichtet haben, heißen wir Sie nun zum dritten unabhängigen Deutschfestival willkommen, das von uns ausgerichtet wird. Dieses Festival soll den Schülerinnen und Schülern aller Deutsch unterrichtenden Schulen sowohl eine Wettbewerbsplattform als auch eine Lernerfahrung bieten. Wir hoffen, dass Sie sich mit großem Eifer und Sportsgeist an diesem Wettbewerb beteiligen, um ihn zu einem erfolgreichen Ereignis zu machen

HOD's Message

Mayo College had introduced German as a foreign language in the year 2016 and we as a department have gone from strength to strength.

Since then our department has grown exponentially and all this while we were committed to experiential learning. Our adequately diversified curriculum with some top of the line teaching aid has added value to the way we learn the German Language. Now is the time from our academic calendar for the most-awaited and one of the flagship event called The German Festival.

As the founding Pedagogue of the prestigious German Department of Mayo College, I am placing on record my profound gratitude towards the Director and Team Mayo for giving me a platform to develop, experiment and expand the language's reach.

Das Mayo College hat im Jahr 2016 Deutsch als Fremdsprache eingeführt, und wir als Abteilung haben uns von Stärke zu Stärke entwickelt. Seitdem ist unser Fachbereich exponentiell gewachsen und das alles, während wir uns dem Erfahrungslernen verschrieben haben. Unser breit gefächertes Lehrplan mit einigen hochmodernen Lehrmitteln hat das Erlernen der deutschen Sprache bereichert. Jetzt ist es an der Zeit, die am meisten erwartete und wichtigste Veranstaltung namens DeutschUtsav@Mayo in unserem akademischen Kalender zu verankern.

Als Gründungspädagoge der renommierten Deutschabteilung des Mayo College möchte ich meine tiefe Dankbarkeit gegenüber dem Direktor und dem Team Mayo zu Protokoll geben, dass sie mir eine Plattform für die Entwicklung, das Experimentieren und die Erweiterung der Reichweite der Sprache gegeben haben.
